

Adding a New Course

Navigate to the course and click
Add a New Course

A screenshot of the 'Add a New Course' form. The form has a title bar with a close button. It contains two text input fields: 'Course Name' and 'Description'. Below these fields are two sections: 'Background Color' with a color picker and 'Background Image' with a 'Choose an Image' button. At the bottom, there is a 'Preview' section showing a thumbnail of the course card and a 'Save' button.

Enter the **Course Name** and
Description in the two textboxes

A screenshot of a dark grey rectangular button with the word 'Save' in white text.

Click **Save**
