

Changing Course Options

Navigate to the **Course Home** page in the Admin Portal

1

Select **Edit Course**

2

In the pop-up window, you can edit the **course name**, add a **description** and select a **tile option**

3

The tile of the course can be a solid colour or an image of your choice. **Note** the tiles are square and if you choose an image, ensure it is a square or it may become distorted.

Click **Update** to save your changes
